

3 EASY STEPS TO RESERVING YOUR SPOT FOR A CLASS THROUGH THE WODIFY APP

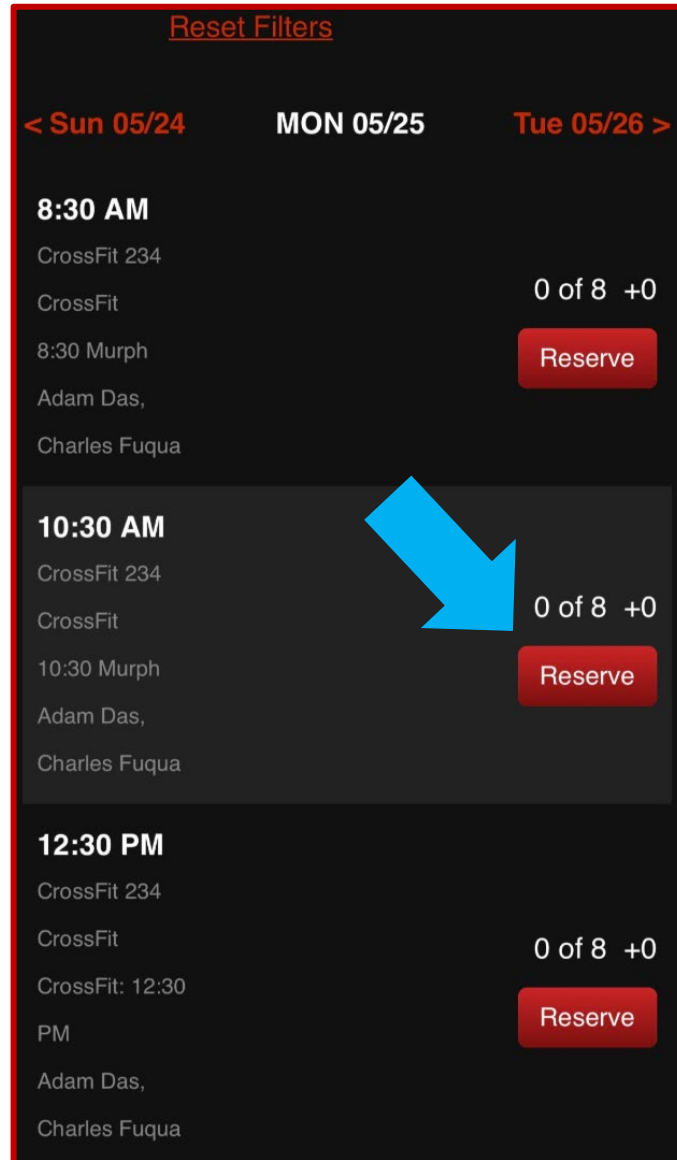

<https://help.wodify.com/hc/en-us/articles/209426137-How-do-I-make-a-reservation-for-a-class->

Reservations open 24 hours in advance for weekday classes and 72 hours in advance for Saturday's class. Reservations close 1 hour prior to the start of class. If nobody is signed up, the class will be cancelled, and the coach will not show up. You must log your score (add results) up to 1 hour after class ends otherwise you are considered a "no-show" and will be unable to log your score.

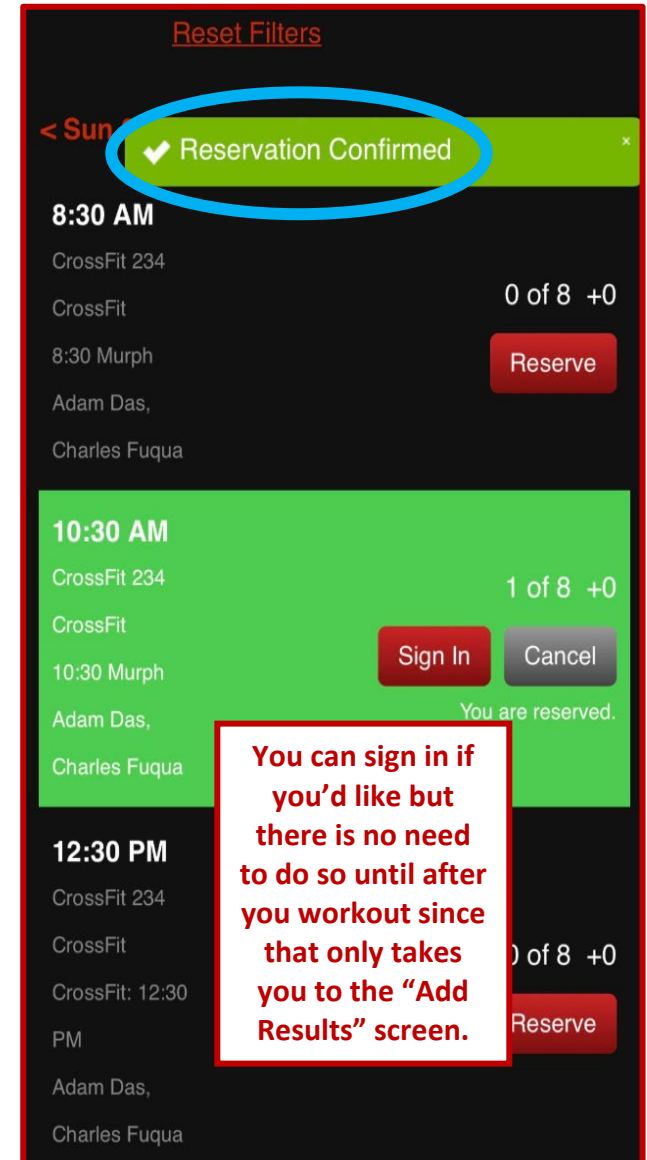

STEP 1:

STEP 2:

STEP 3:

You can sign in if you'd like but there is no need to do so until after you workout since that only takes you to the "Add Results" screen.

IMPORTANT NOTICE: Please do not click "Add Results" from the menu bar on your app to reserve a spot for a class. That does NOT reserve your spot, it only signs you in and the coaches cannot see the Coachboard view that way.
